

LEAD

THE HERD

Kirkland Lake SwampDonkeys Fundraising Initiative 2018+

The KL Swampdonkeys have established a solid foundation in our community. We began with the Steve Nash program - bringing fundamental skills to beginners - and have now flourished, in 4 years, to include a healthy House League for beginners, numerous camps for all levels, and six rep teams, both boys and girls, who compete throughout Ontario and Quebec.

But we need to keep growing.

Our kids deserve the best.

And so, beginning this season, we are looking for community help to begin to nurture what we have put in place, including;

- 1) Supporting the coaches who have given us so much already: providing them with clinics, education, opportunities to enhance their knowledge and provide our kids with more and more valuable skill, in both basketball and life. You can help us by supporting additional training at the L2T, T2T, and T2C levels of OBA coaching.
This kind of training with devout, veteran coaches produces better play, better skill, and more success!
- 2) Discovering, training, and supporting new coaches in our community. We need to find these people. We need to give them the skills to work with kids and basketball.
- 3) Continuing to enhance our coaching gear, whether it be balls, training aids, etc.

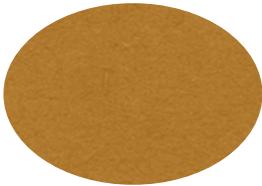

By putting our funding where we need it most, our community will benefit from the experience and knowledge that our trained coaches can bring to our kids.

We need more, good quality leaders to support our growing number of players and programs.

People to lead the herd.

The KL SWAMPDONKEYS have a variety of Sponsorship Packages tailored to your situation. The one common denominator for all packages? We want everyone to know how you helped our community develop basketball.
